Total		22

Other: - Text

Co-worker who attended with me

Q5 - What other topics would you like to learn about for your continued growth?

What other topics would you like to learn about for your continued growth?

Organizational skills
Customer relationships

Increasing productivity

Network with work partners

Power automate and power BI classes would help

Specific AI uses in business/manufacturing

Q6 - Additional feedback on what went well or should be improved:

Additional feedback on what went well or should be improved:

Longer text

Thank you! Great info!

Instructor was very thorough, relatable, interactive, and showed examples he made. He did a great job!

Instructor was well informed, was able to provide real world examples

If there was more time I would have enjoyed a more advanced covering of AI. Great entry into it all.

Q7 - If you would like to discuss your program experience with an XLC team member, please provide your name and your email or phone number and we will reach out to you soon.
